## MINER ROBS BREWERY GULCH RESTAURANT IN DRUNKEN FRENZY

Fred Guise Enters Eating Establishment and Sticks Up Proprietor. Officers Have Narrow Escape in Capture.

With money in the bank and a two weeks' pay check due yesterday Fred Guise, a miner of Bisbee, robbed Louis Visalia, proprietor of the Brewery Gulch Restaurant, of \$27.75 about 2 o'clock yesterday morning. In thirty minutes City Officers Kempton, Moon, Rice, Wilmoth and Deputy Sheriff Gannon had Guise in custody.

According to the story told by Visalia Guise entered his restaurant and presented a twenty dollar Mexican note for change. He said he wanted something to eat. Visalia told him such money was no good and Guise then ordered him, at the point of a gun, to go to the cash register and hand its contents over. Visalia did as he was told.

Sitting at a table, eating, was C. T. Womach. He made a movement to get away from the scene of the affair but Guise made him accompany Visalia and himself up Brewery Gulch. When they reached Bradbury's blacksmith shop Guise made both of the men go through their clothes for anything of value they might have on them. Visalia was then allowed to go but Womach was made to go with the hold-up to his room, which are in the Williams apartments.

Womach immediately got the officers and went to the man's house. Gannon started to break in the front door and Guise shot through it. Gannon answered with another shot and then the door came down. He clinched with Guise and Officers Kempton and Wilmoth got on the scene, through the back door, by this time and disarmed the man. He was taken to the city jail and there attacked Deputy Sheriff Gannon biting him severely on the arm.
